NEW THIS YEAR :

- 1) **Subcamp Chief** for this Jamboree is Scouter Lindy Jay-Tung.
 - She may be in touch with you prior to camp by email but will also help you enjoy this Jamboree. Scouter Lindy has been in the Whitby Area for many years and has taken youth and adults from across Canada to a number of National and International scouting events.
 - She will assist you in finding your camping area.
Please cooperate as we will be in tight quarters.
 - She can help with questions and clarifications regarding events, schedules, etc.
 - She is a valuable resource for you both this weekend as well as in exploring how you and /or your youth might attend an international scout event.

- 2) **This Jamboree will function with patrol size groups attending activities throughout the site.** Patrols are typically about 6 youth – but may be smaller or slightly larger based on the number of youth in your group. You are welcome but not required to join with another group to form an optimal size patrol. Your Sub-camp Chief may be able to help you pair up if you wish to do so.
 - **Youth Patrol Leaders** are asked to attend the patrol leaders meeting at **8:00pm Friday** to receive details to be passed on to their patrols and groups. Please inform your PLs prior to arrival at camp in order for them to be prepared and allow them to be at HQ at 8:00pm. Scouters do not attend this meeting.

 - Scouters are invited to join us at HQ for the **Scouters Social at 10pm Friday**. Bring a mug and enjoy a snack. It's a time to meet and network with other Scouters attending as well as the **JOTA** team. We hope all Scouters will attend at least for a short time.
